Re: Muckrock Right to Know requesting settlement information

Dear Mr. Feathers:

The Civil Bureau is in receipt of your Right to Know request received on December 21, 2018. Pursuant to the New Hampshire Right to Know law, RSA 91-A, the Bureau is required within 5 business days of receipt of a public records request to either make the requested documents available for public inspection, or identify a time at which the Bureau is reasonably able to make the documents available. RSA 91-A:4, IV.

This email serves as notice that the Bureau is unable to make records available within the five-day period. We estimate that it will take at least 30 days from the date of this response to formally respond to the request.

As noted above, RSA 91-A requires that the Bureau make responsive records available for public inspection. RSA 91-A:4. The Department of Justice may assess a charge for providing the copies, consistent with its policy. RSA 91-A:4, IV. We will not waive the fee, but will let you know in advance what the charge will be.

Please contact me if you have any further questions or concerns.

Sincerely,

Nancy J. Smith
Senior Assistant Attorney General
Civil Bureau
